RE: Increase of antidumping duty cash deposits on welded carbon steel standard pipe and tube products from Turkey (A-489-501)

1. On 12/20/2016 (81 FR 92785), Commerce published in the Federal Register the final results of its administrative review of the antidumping duty order on welded carbon steel standard pipe and tube products from Turkey. See message 6363301, dated 12/28/2016.
2. On 02/17/2017 (82 FR 11002), Commerce published in the Federal Register the amended final results of its administrative review of the antidumping duty order on welded carbon steel standard pipe and tube products from Turkey. See message 7058302, dated 02/27/2017.
3. As a result of Commerce's amended final results of administrative review, the cash deposit rates have been revised for certain companies. Therefore, CBP is authorized to collect the difference in cash deposits for entries of welded carbon steel standard pipe and tube products from Turkey produced and/or exported by the entities listed in paragraph 4 from 12/20/2016 through 02/16/2017. CBP should calculate the amount to collect by determining the difference between the amount of cash deposit paid as a result of the application of the cash deposit rate in the final results and the amount due as a result of the application of the cash deposit rate in the amended final results.
4. Listed below are the deposit rates that were assigned to certain companies in the final results of review (see message 6363301, dated 12/28/2016) and the deposit rates that were assigned in the amended final results of administrative review (see message 7058302, dated 02/27/2017):

Toscelik Profil ve Sac Endustrisi A.S. and Tosyali Dis Ticaret A.S.

Case number: A-489-501-011
